## A Reprinting of Local History

### *Old Rochester and Mattapoisett Book is Revived*

*"The present time is like a nearer sail,  
Fretted and torn and soiled by stormy tears;  
Anchored far out beyond recalling hail,  
All sails look white across the sea of years."*  
From "Mattapoisett and Old Rochester"

Many things can be fascinating about a community's cultural and historic value. This is especially true of the small, stark communities which sprung up in New England — and, in particular, Massachusetts — in the pioneering years of the American revolution. Much of this rich history can be passed down for some time via the oral tradition, but it isn't until a small group of dedicated individuals take it upon themselves to set the tale in print that it becomes viable — almost sacred.

The fledgling community of Rochester, Massachusetts — which later broke out into the existing territories of Mattapoisett, Marion, and portions of Wareham — has a single volume to claim as its own version of recorded history.

*Mattapoisett and Old Rochester* is a book which was originally published in 1907 and penned by Mary Hall Leonard of Rochester with assistance from other known area historians. Prepared under the direction of a committee established by the Mattapoisett Historical Society, the 400-plus page book chronicles the early history of what has come to be known as "Old Rochester" in the early 1600's and follows through to the turn of the century. With the exception of a few brief works published over the years, it is the only and most comprehensive work published on the history of Old Rochester and Mattapoisett.

It is for this reason that this classic tome — which has been reprinted twice since it first appeared in 1907 — is about to be reprinted in a new limited edition to appease the demand of local collectors and history buffs.

"The last reprint was done in 1950," said Bette Roberts, Curator of the Mattapoisett Historical Museum and Carriage House. "Since it's the only major work on the history of the town, we decided it was time to do a reprint."

With only minor alterations in the two ensuing editions to add names of residents who served their country in the two World Wars, the book essentially remains the same as its first printing. The 1993 reprint is a nearly identical facsimile of the previous editions, barring a gold-stamped title on the front cover, and will include all of the original

photographs and illustrations.

Besides Ms. Leonard, a listing of the book's other contributors and members of the committee which compiled the work reads like a who's who of notable area families. These historians and writers include Charles S. Hamlin, Lemuel LeBaron Holmes, Harriet Mendell Hammond, William E. Sparrow Jr., and Lemuel LeBaron Dexter.

Working at the impetus of the Mattapoisett Historical Society, the group collaborated to publish the book for July 15, 1907 — the fiftieth anniversary of the incorporation of "Mattapost," a name taken from the Indian moniker for "a place of resting." In the book's introduction, the designated editorial committee noted:

"Recognizing that the history of old Rochester-town had never been adequately presented, nor the story of 'Mattapoisett Quarter' told, the first act toward this anniversary celebration was the appointment of the undersigned committee to gather historical data and secure its publication. An arrangement was at once made with Miss Mary Hall Leonard, of Rochester, to prepare the chapters on the early history of the old town ... it is hoped that the story told in this volume may give some picture of early life in one of the old towns of Plymouth Colony."

Filled not only with a concise and fascinating capsule history of the town, the book also includes many historic photographs and scenes from a by-gone era. It is a gem for anyone with even a remote interest in the area, especially those who are interested in one of the earliest American settlements.

*On the cover: One of the many historic shots included in Old Rochester and Mattapoisett, this view of the Mattapoisett Town Hall was taken around the turn of the century. The towering steeple was razed after it was damaged in one of the seaside town's many hurricanes. (Photo courtesy of the Mattapoisett Historical Museum.)*

A plethora of information is contained within the book's modest covers including the settlement of Rochester Town in the 1600's; the residents' participation in the Revolutionary War; the fracturing of Old Rochester into present-day Mattapoisett, Marion and Wareham; the towns' participation in the Civil War; and the rise and fall of the shipbuilding industry.

In an interesting and almost cryptic coda to the book, the closing lines seem to predict a subtle change in the town's history, yet echo much of its present-day existence:

"So Mattapoisett sits to-day on her beautiful open harbor; the waters of Buzzards Bay roll in as blue as ever; the alewives still go up the river each April; there is still good fishing in the bay and shell fish on the shore. The catboats ride at their moorings around the buoy, or their sails glisten in the sun far out toward the Falmouth shore.

"We can look with hope into the future for the increasing prosperity and attractiveness of the town, and we know that those who will be in our places then will linger with the same interest over our present as we do over the past which in this volume has been reviewed."

Bette Roberts noted that the new reprint edition is being produced in an initial limited edition of 100 copies, which may be increased to suit the demand. Already half of those copies have been reserved. The coveted volume will cost approximately \$35 and will be made available at the Museum on or around December 1. Ms. Roberts noted that the last reprint in 1950 was also limited to only

### Mattapoisett Selectmen's Meeting

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 9, 1993 at 7:03 pm by Chairman John N. DeCosta. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol Adams.

After approving the minutes of the November 2 meeting, the board signed and approved the appointment of Mary M. Worden of Ocean View Avenue as Library Trustee to fill a vacancy left in the wake of Sandra Dawson's recent resignation. Ms. Worden was recommended to fill the position by Ms. Dawson and will fill out the term through April, 1994. The board also unanimously approved and signed all Common Victualler Licenses for 1994 allowing several town establishments to sell food. The licenses included several renewals and two new establishments.

Chairman DeCosta next noted the following meetings scheduled throughout the week:

- Thursday, November 11 at 7:00 am — Raising of the new American flag at Shipyard Park.
- Thursday, November 11 at 11:00 am — Veterans Day Services at Old Hammondtown School. Kenneth Wood of Main Street, the town's oldest veteran, will be honored at the ceremony.

The board then reviewed incoming correspondence for the week, including:

• Letter from James J. Kerasiotes of the state Executive Office of Transportation and Construction, advising the board that Gov. Weld and Lt. Gov. Cellucci have filed the 1993 Transportation Bond Bill. If passed, this legislation would provide Mattapoisett with a total of \$603,903 in Chapter 90 Local Aid Funds over the next two years.

"That's over half the cost of our pending North Street project," noted Chairman DeCosta. His fellow board members agreed this would be quite a boost for the town's other pending road repair and construction projects.

• The Hands Across the River Coalition sent the board copies of a recent EPA report on the incineration of PCB's and heavy metals in New Bedford harbor.

• Congressman Barney Frank sent the board a copy of his letter to the EPA regarding the New Bedford harbor PCB incineration problem. According to the letter, the Clinton administration has agreed to reopen the matter and look into alternatives to the suggested PCB burning put forth by the EPA.

• Water/Sewer Superintendent William T. Nicholson sent a letter to the board regarding a proposed sprinkler system

at Shipyard Park. Mr. Nicholson noted that the Board of Water/Sewer Commissioners agreed to furnish water for the project at an incremented cost of \$154.60 per one million gallons. The commission, however, needed further clarification of some of the project specifics before going further, including how many days per week it would be used, what time of day it would be used, and would the system be equipped to shut down during natural rainfall.

- Normand Pratt, Business Representative for the American Federation of State, County and Municipal Employees (AFSCME), sent a letter to the board requesting a date to continue contract negotiations in November. Selectman Mahoney said he would recommend a date to attend as the board's representative in this matter.

- Commissioner of Education Robert V. Antonucci sent notification of his receipt of the board's request for a waiver of the required minimum local contribution amount to the ORR School District.

- Notice was sent from the Division of Marine Fisheries advising the board that the following portion of Brant Island Cove and the Leisure Shores Marina have been "Seasonally Approved" to the taking of shellfish:

"The waters and flats inclusive within the area defined by a 100-foot boundary around the outermost structures (e.g. docks, piers and floats) of Leisure Shores Marina," effective November 1, 1993 through April 30, 1994.

- A notice was sent from Outdoor Advertising advising the board that Mattapoisett Boatyard, Inc. has applied for a renewal of its off-premise sign located on Route 6 opposite Brookside Drive. The board need only respond if they are in opposition to this renewal.

At 7:32 pm, the board met with Jay Carney, representative for the landowners of a new development on Angelica Avenue to be known as Waterview Farm. The developers have

requested a permit to allow Com/Electric to install a utility conduit at the site to serve the seven-house development.

"We'd like to install all underground utilities for the homes," Mr. Carney said. "This request is for a street excavation to tie into the main line."

The multi-dwelling development will provide seven homes (one of which is already built), each utilizing their own septic system and with ample frontage along the water.

There being no one present in opposition to the project, the board, upon reviewing the plans submitted, unanimously approved a permit to allow Com/Electric to install two four-inch PVC conduits on Angelica Avenue at Point Connell. Residents should be advised that the excavation project will take place near the end of next week (November 18 or 19) and should seek alternate routes while work is in progress.

Chairman DeCosta noted that he had met earlier that evening with Chairman James Dougall of the Marion Board of Selectmen and Chairwoman Lorraine Roy Hawkes of the Rochester Board of Selectmen to select one representative from among them to sit in as the regional Selectmen's representative.

The board then unanimously approved the opening of all town establishments licensed to serve alcohol until 2:00 am on New Year's Eve (December 31, 1993). This would allow said businesses to remain open one hour later than specified under state law.

There being no further matters to come before the board, they adjourned for the evening at 8:00 pm.

## Marion Selectmen's Meeting

November 9, 1993

By Bethany Morgan

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 9 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray Pickles, and Secretary Helene Craver.

The board first met with Christine Bascom and Joyce West of the Sippican Land Trust, Olive Harris of the Tree Planning Committee, and Tree Warden Ronald Winters, to discuss the continuation of a plan to beautify the town. Ms. Harris reported the plant to be "slightly conceptual at this stage. We wanted to meet with you and get your blessing." The plan includes the hiring of Lucinda A. Brockway, a tree expert from Maine, to consult with the town regarding species of tree and their planting. Ms. West said the organizations would like to conduct an open meeting to present the current conditions of the town's trees as well as the new ideas for beautification.

Mr. Winters said he was in favor of the project and would like to be involved in its further planning. Chairman Dougall requested the committees develop a budget, watering plan, and a maintenance plan as part of the project's development. Selectman Winters requested the committees work with

the DPW in planning a tree site. Ms. Harris then asked the board for their blessing. Selectman Schaefer said: "I think it's an exciting plan."

The board next met with Brad Eames of the Board of Assessors regarding the classification of the town's tax rate. The Board of Assessors recommended to classify a single tax rate for both residences and businesses alike. The board accepted this recommendation unanimously.

The board then met with Town Clerk/Tax Collector Debra Blanchette for the signing of bonds in an amount totaling \$830,000 as voted upon during the Annual Town Meeting and recent Special Town Meeting. Ms. Blanchette stated the true interest rate is 3.5725 percent, 1 percent lower than previously estimated, for a period of five years. The board signed and approved the bonds.

Lastly, the board met with Juanita Barrows of the Marion Police Association, Richard Duffy of the Silvershell Beach Association, and Harbormaster George Jennings. Mr. Jennings presented each member of the board with plaques reading: "In grateful appreciation for assisting in the Marion Flood Relief from the Marion Police Officers Association." Ms. Barrows originated the idea to send funds to the town of Hannibal, Missouri, part of Marion County, to help relieve the town's burden due to the severe flooding.

Mr. Jennings went to Hannibal where he met with Mayor Richard Swatch. Mayor Swatch, in appreciation, presented Mr. Jennings with a water color painting of their town's main street. Mr. Jennings, in turn, presented the painting to the town of Marion. Mr. Duffy stated he was expecting a videotape from Hannibal for viewing on Bay 8. The board was very appreciative of the honor and the group's efforts.

After the approval of the minutes of the October 26 meeting of the board, Chairman Dougall read incoming correspondence for the week:

• Town Counsel Thomas P. Crotty sent a letter regarding the determination of the town's boat excise taxes on a previous request from Harbormaster George Jennings. Mr. Crotty was of the opinion that any person who owns a boat on July 1 of a given year may be assessed a tax for the fiscal year which commences on that day. Mr. Crotty also noted that any boat moored in Marion Harbor should be assessed. If a boat is moored at more than one location, the assessment should be paid to that town where the boat is habitually moored.

• Copy of a letter sent to Paul Ponte from Ray Pickles regarding his mooring permit revocation. Based on evidence submitted from Harbormaster Jennings, the Board of Selectmen has agreed to uphold the decision to revoke Mr. Ponte's mooring permit, a decision which Mr. Ponte can appeal with the Massachusetts Department of Environmental Protection.

**Rochester Selectmen's Meeting**

November 8, 1993

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 8, 1993 at 7:03 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the November 1 meeting, the board met with Ralph Perry and John Van Reenan regarding an update on the plans they are working on to set up a new Little League Baseball field on a piece of town property on Dexter Lane. The two men previously came before the board to seek their assistance in getting some funding for the project through company sponsorships.

"Coca-Cola hasn't called, so I'm assuming they're going to cancel out on us," said Mr. Perry. "I called the National Guard, and they agreed to come in and landscape the field for us ... all we'd have to do is supply the equipment."

Both Mr. Perry and Mr. Van Reenan noted this project wouldn't come to fruition until the fall of 1994 or the spring of 1995. There was still a great deal of planning ahead, and the town and those involved with the teams needed to sit down and come up with a concise plan for the proposed baseball fields.

Chairwoman Hawkes agreed that the Board of Selectmen would sign a letter requesting the assistance of the National Guard in the landscaping end of the project. Now they needed to plan on what type of field would be set up and where it would be

located.

"Our main priority or goal would be a larger Babe Ruth (type) field," said Mr. Van Reenan. "We really don't have a home field to speak of ... and we need a good-sized playing area in order to accommodate the teams we play against."

Selectman Hughes noted that the board has been discussing using a portion of the property in question with several town departments to either set up a drag area for tractor pulls or to utilize a section of the land to build a new Fire Station in the future. He asked both gentlemen if they could consider moving the proposed field further back on the property in order to accommodate any future use of

the property.

"I want to see the fields go in there," he said.  
"But I don't want to have to pull them up later on if  
we decide to build a new Fire Station there."

Selectman Hughes suggested locating the  
fields at the far corners of the lot, this way the front  
section could be left open either for parking pur-  
poses or for any intended future use by the town.  
Mr. Hughes also recommended calling a meeting of  
all the department heads to discuss some pending  
plans for site, and invited Mr. Perry and Mr. Van  
Reenan to the meeting so they could hear first-hand  
some of the possible plans for the property.

"I think that way we could figure out how to  
benefit both (the Little League) and the town," he  
said.

"We need to ascertain the needs of those  
involved before we make any final commitments,"  
agreed Chairwoman Hawkes.

At 7:20 pm, the board met with two candi-  
dates vying for a vacancy on the Cemetery Commis-  
sion formerly held by the late William D. Watling.  
David W. Sylvia and John E. MacGregor came before  
the board and had both sent letters last week ex-  
pressing their interest in filling out the elected term  
through April, 1994. The duties of the potential  
applicant would include attending 2 or 3 meetings a

year and some knowledge of cemetery plots and maintenance.

After briefly questioning both candidates and finding out a little of their background — both of whom had prior experience in cemetery work — Chairwoman Hawkes read a letter from the Cemetery Commission recommending Mr. MacGregor for the position. The board moved and unanimously appointed Mr. MacGregor on the recommendation of the Cemetery Commission, but thanked Mr. Sylvia for his interest and advised him to pursue future openings on other town boards.

Under incoming correspondence for the week, Chairwoman Hawkes first cited a notice from Harry A. Brown regarding plans for the implementation of an Enhanced 911 (E-911) telephone system in the town for 1994. The notice urged all town residents who have not yet ensured that their addresses are clearly marked outside all buildings (including bog sheds) to do so before January 31, 1994, after which time violators will be subject to further action. The new regulation falls under both state requirements for the E-911 system and is specified in the Rochester Town By-Laws. The Board of Selectmen unanimously approved the notice for posting at Town Hall.

The board received information from the state Department of Revenue regarding Old Colony Regional Vocational Technical High School's unencumbered excess funding for Fiscal Year 1994 in the amount of \$79,469. This money was over and beyond the town's state recommended share for the regional vocational school budget and was returned to town coffers under the recently passed Education Reform Act of 1993.

The state Executive Office of Transportation and Construction also sent the board information about a Transportation Bond Bill recently filed by Governor Weld to authorize some \$5.5 billion in statewide construction. These monies include \$1.2 billion for Federal Aid Non-Interstate projects, \$569 million for Non-Federal Aid Highways and Bridges, \$50 million for the Public Works Economic Development Program, and the authorization of \$180 million in Chapter 90 funds for the next two years.

Chairwoman Hawkes next cited a letter of resignation from Diane R. Cunningham, Director of the Rochester Council on Aging, who is leaving her position effective November 26, 1993. Ms. Cunningham, who has accepted a full-time position with the Wareham COA, admitted she has tendered her resignation with mixed emotions, having enjoyed her work in Rochester. The board agreed to send her a letter of appreciation for her work and noted that the COA would be seeking applicants to fill Ms. Cunningham's position.

The Board of Appeals will be holding hearings on Thursday, November 18 on the request of the following applicants:

- 7:30 pm — Vincent and Patricia Ryan regarding property at 9 Robinson Road
- 8:00 pm — Blaine and Linda Young regarding property at 165 Mary's Pond Road
- 8:30 pm — Jeffrey P. Ponte regarding property at 45 Pine Street.

The board next signed and unanimously approved Department of Revenue forms for the town's share in the various school budgets for fiscal year 1994. These appropriations had been held at the request of Finance Committee Chairwoman Pat Ryan pending the results of last week's Special Town Meeting. The board approved a total appropriation of \$1,989,419 for Memorial School, \$225,417 for Old Colony Regional Voke, and \$1,851,690.67 for the ORR School District.

Under New Business, Chairwoman Hawkes said the board will be seeking donations from residents to assist in purchasing a computer and

men meeting will not be held between the Christmas and New Year's holidays

Before adjourning for the evening, Selectman Hughes unveiled the town flag which his sister, Kathleen Hickey, designed to be displayed at the State House in Boston. The light blue flag features an embroidered town seal in full color at the center. "I'd like to leave it on display in Town Hall for a couple of weeks and then ask Rep. Straus to come in and hand deliver it to Boston," Selectman Hughes said, which was agreed to by his fellow board members.

There being no further matters to come before the board, they adjourned for the evening at 7:54 pm.

the end of their driveway.

You have received a notice or will receive a notice of corrected street numbers if applicable. Please take the necessary action to post the proper number on your home and mailbox and notify those who may be sending you mail (stores, credit card companies, Registry of Motor Vehicles, etc.)

Rochester by Town By-Law requires every dwelling or building to have a street number thereon. The Massachusetts General Court established the same requirement, effective January, 1993. Failure to comply will subject you to daily penalties until corrected. In conjunction with the U.S. Post Office we ask that you comply before January 31, 1994. After that date, failures to comply will be considered a violation, and necessary action will be taken.

For further information on this matter, please contact Harry A. Brown, E-911 Coordinator in Rochester, at 763-5619.

### Mattapoisett Recycling Committee

At the November 1 Special Town Meeting in Mattapoisett, the Volunteer Recycling Committee presented its agenda for the year to come and enlisted the support of the town and its leadership.

Top on the list was a proposal for an article at the Annual Town Meeting in the Spring of 1994, asking for the monies to begin curbside pickup of recyclables: cans, bottles, and newsprint. At present, a drop-off recycling center at the town landfill, with handsome signs made by Jerry Normandin, works well, but culls a meager 1-2 percent of town waste into recycling. With curbside recycling, this percentage should be raised to at least a third of town waste.

What does it take to go to curbside recycling? A contract with a recycling hauler to pick up and sell the recyclables; the purchase and distribution of the blue recycling bins; and a steady program of town-wide education. What kind of monies are we talking about to accomplish this? Based upon the prices paid

## YMCA YOUTH & FAMILY CENTER AT MATTAPoisETT

(Site of Day Camp Massasoit on the Mattapoisett Harbor)

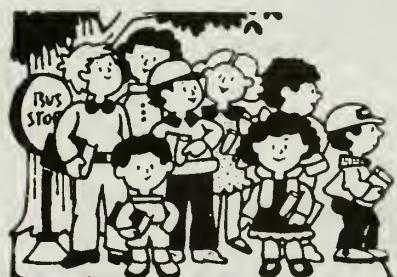

The YMCA YOUTH & FAMILY CENTER is accepting registrations for the "SCHOOL'S OUT AFTER SCHOOL PROGRAM". Transportation to this program is available for all students enrolled in EAST FAIRHAVEN, OLD HAMMONDTON, and CENTER SCHOOLS.

This after school day care alternative for working parents is both convenient and affordable. But the best part is that your child will enjoy lots of activities designed to make after school the most fun part of the day! Kids in grades 1 through 6 enjoy outdoor sports, nature activities, games, arts and crafts, cooking, and much more.

Our program operates Monday through Friday, from the close of school to 6:00 p.m.

Extended care and full-day programs on school holidays and vacations are also available. Rates are as low as \$40.00 per week.

Please call the YMCA, 758-4203, for enrollment information.

by neighboring towns in which curbside is already in place — Marion, Fairhaven, Dartmouth, New Bedford, Westport — the cost per household per year should run between \$18 and \$35.

Already Bob Field has sent a proposal to the DEP for monies to cover the cost of curbside recycling bins. If we receive the grant, it will knock off \$4 per household from the annual expense. However, Mattapoisett is only qualified to receive a DEP grant if it has voted to fund a curbside recycling program.

Finally, with town support, we will send out RFP's (Requests For Proposals) for haulers/vendors of recyclables so that we can return to you at the Annual Town Meeting with the most cost-effective plan for Mattapoisett.

At the Special Town Meeting support was given the Recycling Committee and the Board of Health through a show of hands. However, more than most Town Meeting questions, in order for recycling to succeed, it needs more than votes. It needs the informed and sustained support of all Mattapoisett residents. Anyone with questions should call Marilyn Flood, Chairwoman of the Recycling Committee (758-2137). Those interested in working towards the best town-wide solution are invited to join our meetings, the second Thursday of each month at 7:30 pm in the Town Hall in the office of the Board of Health.

### Scout Happenings

Scoutmaster Philip Gaudet and Assistant Scoutmaster David Gundersen have just completed the Moby Dick Council Leadership Training Course. This course encompassed three Sunday evenings of three hours each and a weekend camp out at Camp Cachalot. By having the leaders trained, Troop 53 will be receiving a Quality Award for 1993 and provide the troop with fun-filled programs.

The Mattapoisett Boy Scouts will be distributing plastic bags on Saturday, November 13 to local neighborhoods. Should you find a bag on your door, kindly place it back out on your door on November 20 with some canned goods and non-perishable food items. The collection is for the Greater New Bedford Food Drive. By supporting the Scouts, you enable them to fulfill their community activity requirements. Your contributions will be greatly appreciated.

### Holiday Canned Goods Collection

The Fairhaven-Mattapoisett Kiwanis Club will hold a holiday canned goods collection drive on Saturday, November 20, from 8:00 am to 4:00 pm at the A&P and Shaw's parking lots in Fairhaven. Look for the Kiwanis signs. The public is asked to donate canned goods to be distributed to area food pantries.

The Fairhaven-Mattapoisett Kiwanis has through the years contributed to many local projects, such as the purchase of a Pediatric Board for the Mattapoisett Ambulance. During Safe Kids Week and Fire Prevention Week, booklets were distributed to local schools in Grades K through 5. Along with the New Bedford Kiwanis, a training program for EMT's and paramedics on treatment of traumatized children was sponsored. Scholarships have been awarded to graduating students from both Fairhaven High School and ORR.

The most recent endeavor in conjunction with the New Bedford Kiwanis is spearheading efforts to establish a helicopter pad at St. Luke's Hospital in New Bedford for emergency medical flights.

Look for the barrels in all of our branches through the end of December.

## Mattapoisett Firefighters Auxiliary

The Mattapoisett Firefighters Auxiliary would like to thank those who helped make our craft fair held on October 24 a success. Local businesses such as Bittersweet, Cerulli's, Kenny's Farm Stand, and Giammalvo's Market were very generous in many ways. Individuals such as Billy Hubbard, Albert Sylvia, Nick Nicholson, and all the volunteers who worked that day were of great help. Special thanks goes to Elaine Sylvia and Gail Nicholson who put a lot of time and effort into this project.

Community support is very much appreciated and we hope to see everyone again next year.

## Adoptable Animals Overcrowded Foster Homes

This past week has been a slow time for the adoption of kittens in and around the tri-town area through the local chapter of Animal Umbrella, Inc. Please help the area foster homes alleviate their overcrowding by taking a lovable addition into your home. A special thanks to *The Wanderer* for their help in placing the featured dogs from the past two weeks' articles — both dogs are happily living in the Mattapoisett area with their new owners.

Also, many of the adult cats were placed into area homes, including the pregnant mom. She now has a warm and loving foster home in which to deliver her kittens.

#### Mattapoisett PTA Meeting

A meeting of the Mattapoisett PTA was held on Tuesday, November 2. Debbie DeWalt, President, welcomed all who were present. Debbie was happy to report the passage of Article 11 at the Special Town Meeting.

The newsletter is now in full gear and if there are any comments, either positive or negative, Carol Fetela would like to hear from you. Debbie spoke for Mrs. West in thanking all the volunteers who responded to her plea for help with The Nutcracker production. A few more things are needed for the school. Paula Butterfield and Cathy Anzaldi would like donations of:

- large, unbreakable ornaments
- string of white lights
- two strands of gold garland.

If you have any of these items that you could spare for the school tree, please put your name on them and call either Paula at 758-9281 or Cathy at 758-2747. Unfortunately, they will not be returned to you until after the holiday. Please do not send them to the school.

Thank you notes were received from Mrs. Lesco and Mrs. Bessette. A thank you note will be sent to Cecily Balboni for her donation of three gift certificates for the three top-selling families for the Innsbrook Wrapping Paper fundraiser.

The 1993-1994 budget was passed with some small changes. The Arts and Humanities were given \$1,000 more due to the rising cost of programs. "Journey into Jazz" has been booked for Old Hammondtown School. Several other programs have been booked for Center and Old Hammondtown and several are being looked into. Annette Ewing is working with both principals and is actively involved in bookings at this time.

Cindy Bobola has the Book Fairs almost ready. She is in the process of calling her volunteers and setting up times.

Donna Brenier, the PTA's School Committee representative, reported on the last School Committee meeting and told the group that the Selectmen will be meeting the School Committee to discuss the reforming of a Building Needs Committee. Debbie DeWalt is looking for a speaker for the Parents/Speaker Night sponsored by the PTA.

The Mattapoisett Firefighters Auxiliary has asked for some monetary support for their work in distributing toys for children who are in need for Christmas. The board approved a \$100 donation.

Mr. Murphy had no requests this month. He did, however, recommend that the PTA representative on the School Council Board come to the meetings and give a report to the membership. Center School has won the right to buy tickets to the Boston Ballet performance of The Nutcracker. Tickets will be \$7 and Grade 3 will be going to Boston on December 8.

Mr. Reed had no requests this month.

The gift certificates for the Innsbrook Wrapping Paper fundraiser were given out at the meeting. The next scheduled meeting of the Mattapoisett PTA will be held on December 7 at Center School.

## Slam Poetry to Benefit Hands Across the River

"Slam Poetry" is coming to New Bedford. This latest craze in literature-in-your-face will be held in the form of a contest to benefit Hands Across the River at Lupo's in downtown New Bedford on Sunday, November 14 from 6:00 to 8:30 pm.

For those unfamiliar with the format, it consists of getting up on stage and spouting your own, original poetry which will then be judged by the audience. There are three rounds of judging and then the winner gets the munificent sum of \$10 and the title of New Bedford Slam Poetry Champion!

There will be a \$5 entrance fee that covers the contest and donation. The benefit is being organized by Susan Grace and Lewis Hammond Stone to raise money for Hands Across the River to continue its fight to stop the EPA's planned incinerator in New Bedford.

In addition to the Slam Poetry Contest, there will be an opening reading by well-known poet Everett Hoagland. Mr. Hoagland has been published in many anthologies around the country and is a professor of English at UMass Dartmouth.

Refreshments will be served at the event. For more information, please call 758-4694. All proceeds will go directly to Hands Across the River. Sign up time for the Slam Poetry Contest is 5:30 to 6:00 pm. Spaces are limited, so slam contestants are encouraged to be there early to avoid being shut out.

breakfasts at the Seaport Inn in Fairhaven on November 23 and 30. The programs will run from 9:00 to 10:30 am.

There are hundreds of people in our own community who care for a loved one with Alzheimer's Disease or a related dementia, according to Terrie Arruda, Program Director of the Nichols House Alzheimer Program. "We understand the many challenges facing the friends and loved ones of persons with Alzheimer's Disease. Our hope is to provide them with some healthy tips on ways they can better care for their loved ones themselves," she said.

The FREE informational breakfasts run in conjunction with National Alzheimer's Awareness Month. The more we understand about the disease, the better able we'll be to care for our loved ones, Ms. Arruda added.

Although the breakfasts are free, seating is limited. To register or for more information, please call 997-3193.
